

Amendment to the Specification

Pursuant to 37 C.F.R. § 1.125(b), Applicant submits herewith a substitute specification, excluding the claims, since numerous clerical errors have been discovered after the filing of the present application.

A clean copy of the substitute specification is accompanied by a marked-up copy of the substitute specification, showing all the changes in red line relative to the originally filed specification. The added texts are shown by underlining and the deleted texts are shown by strike-through.

An appropriate SEQ ID NO. has been also inserted in paragraph [00203] at page 50 of the clean version of the substitute specification. A Sequence Listing, in a paper form and a computer readable form, and a Statement Under 37 C.F.R. §§ 1.821-1.825 are also submitted herewith.

Applicant hereby states that the substitute specification includes no new matter.
